

GOLDENSPA

2006
EST.

Founded by an athlete veteran Soccer player Mr. Alaa Abady who fell in love with the city of Sharm Elsheikh when he first visited in 2000. His background and understanding of the importance of body therapy in addition to the magical ambiance of the city was the main factor behind the spa/medical center idea. Instantly he didn't spare time to start achieving that idea.

GOLDEN SPA

INTERNATIONAL

Alaa started his first Spa ever in 2006 at Savita Hotel it was the first Turkish bath ever in Sharm ElSheikh and Savita Hotel was the first Hotel to attach its name to the Spa "Savita Hotel & Spa"

The success accomplished in the first year of operation was an inspiration for major expansions that followed.
